Striving for Excellence

Sardar Salim Haider Khan
Governor, Punjab
Chancellor

Prof. Dr. Rauf-i-Azam
Vice Chancellor
Government College University Faisalabad

Ghulam Ghous
Registrar

Prof. Dr. Shahzad Ali Shahid Chatha
Principal

Prof. Dr. Rauf-i-Azam
Vice Chancellor

Prof. Dr. Rauf-i-Azam currently Vice Chancellor of the Government College University Faisalabad, earned his Masters and MPhil degrees in Mathematics from the Quaid-i-Azam University Islamabad followed by a PhD, in Information Systems, from Nara Institute of Science and Technology, Nara, Japan. Since the completion of his PhD in 1998 he has been involved with teaching, research, consulting and other similar activities in the realm of knowledge economy. He is a distinguished educationist with vast experience in teaching, research, administration and institutional development. Previously, (from 2021 to 2024), he has served as the founding Vice Chancellor of the Punjab University of Technology Rasul, Mandi Bahauddin. In this role he worked to develop a new university leading all the activities ranging from planning to execution of a large development project worth more than Rs.6.208 billion. He has also served as Pro-Rector at the University of Lahore, one of the largest universities in the private sector. Earlier, (from 2015 to 2019), he has served as the Vice Chancellor of the University of Education Lahore where he was instrumental in designing and implementing a comprehensive reform agenda improving the quality of education through improvements in faculty, curricula, operational efficiency, institutional environment, use of technology and many other institutional aspects.

Prof. Dr. Rauf-i-Azam holds the view that universities are the places where future of a nation is built, therefore, they should present a living model where competence is nurtured, responsible citizenship is practiced, diversity is respected, and learning is a continuous pursuit – in short, the universities should present a model of a society that we desire to build and live in.

Message of the Vice Chancellor

Government College University Faisalabad is a dynamic seat of learning aspiring to provide highly stimulating and conducive academic environments for quality research, formal education and professional growth. In the recent years, the university has achieved phenomenal success in research contribution and in improving the quality of education which is reflected through the meteoric rise of the institution in HEC ranking from 59th to its 7th position,

The GCUF got 2nd Position in Pakistani Universities and 1st Position among the universities of Punjab Province according to Times Higher Education (T.H.E.) World University Rankings 2025 resulting in growing confidence of civil society and business community of the region.

This university is striving for academic and cultural excellence by living upto the international standards of education. We offer innovative syllabi encompassing the latest trends and approaches in the fields higher education. Our curricula inculcate creativity, objectivity and critical thinking, impart values of commitment and singleness of purpose to learning and professionalism and promote confidence, adaptability and high level communication skills in students to ensure success of our graduates in this highly competitive and challenging global world order.

We are for inter-disciplinary approach and social cohesion. We offer a wide range of courses in the fields of Natural and Physical Sciences, Information Technology, Engineering, Food and Home Sciences, Law, Pharmacy, Management and Business Sciences, Humanities, Social Sciences, Fine Arts, Bioinformatics & Biotechnology and Medical Sciences in addition to others to cater the diverse needs of social and industrial sectors of this region.

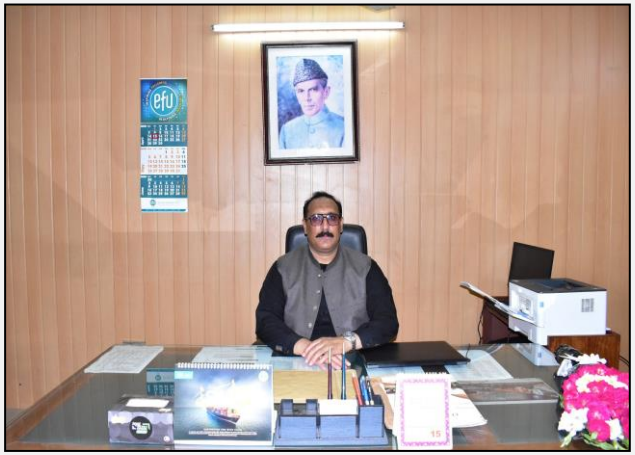

Government College University Faisalabad is deeply engaged in the challenging task of developing well-equipped labs to produce quality research in every field and in establishing a proper liaison with market and industry to ensure job opportunities for skilled graduates and young professionals.

Our academia and administration place special emphasis on building an inclusive community based on inter-cultural and inter-faith harmony to produce an environment that is safe and friendly by making education a way forward to social and communal harmony and tolerance. You will find highly qualified faculty in this University dedicated to provide you excellent opportunities for intellectual and social growth.

The University comprises beautiful buildings and grounds which promise a variety of healthy, congenial and intellectually transformative opportunities necessary for nation building. This University ensures a successful and bright career for its students. It is hoped that this University will earn more laurels in future by responding to the needs of society and market. Furthermore, you are welcome to experience lively opportunities that Government College University Faisalabad offers.

You are here to join a vibrant community of students, researchers, friends, teachers, mentors and intellectuals to discover your potential and abilities for creative learning

With best wishes.
Prof. Dr. Rauf-i-Azam
Vice Chancellor, Government College University Faisalabad

Prof. Dr. Shahzad Ali Shahid Chatha, a PhD in Chemistry from University of Agriculture Faisalabad. He has served on many key positions such as additional senior tutor (2012-2015), Deputy Chief Security Officer (2014-2015), Chairman State Care Department (2017-2019), Director International linkage (2021-2024). Dr. Chatha is also rending his meritorious services as member Associate Secretary to "The Chemical Society of Pakistan".

Message of the Principal

The University Community College, a constituent college of Government College University, Faisalabad, ever since its inception, has kept on its status as one of the renowned colleges of the country. Our students have excelled in every field of life and have won laurels not only for the institution but also for the country. The faculty of our college comprises the best academicians who put their maximum efforts in imparting knowledge to their students and inculcating among them a sense of responsibility and a zeal to learn.

The University Community College, Government College University, Faisalabad is struggling for excellence in its dispensation of job-oriented, work-related, skill-based and life coping education in an environment distinguished by the principles of discipline, regularity and punctuality with state-of-the-art scientific and computer laboratories, up-to-date library and a participation in healthy curricular and co-curricular activities. The university administration and the academicians have devoted themselves for the brilliant and bright future of their students and try them to provide the most conducive learning atmosphere.

The focus of the University Community College is to produce highly responsible citizens. We promote job- oriented, work-related, skill-based and life-coping education. The college also imparts quality, market responsive training especially designed to meet the changing technical requirements for today's jobs in Pakistan. University Community College has re-launched Intermediate Programs with new zeal and zest. The institution aims at re-gaining its old practices of character building of its students and prominently recording results with highly qualified and experienced faculty members who are willing to struggle with full devotion and dedication.

I hope that the experience of studying at University Community College will not only be profitable but also be memorable for the students. I wish them all success in life.

Principal

University Community College

Vision

Our major target is to produce skilled, dedicated and creative professionals in the spheres of Commerce, Banking, Business Administration, Computer Science, Clinical Psychology and Foods science.

In order to re-gain our lost glory, we are firmly determined to provide quality education at Intermediate level as well. In pursuit of our vision, the College provides quality education at both intermediate and undergraduate levels to produce individuals who will play leading roles in their picked vocations.

Mission

We intend to equip future business professionals, bankers, computer experts, business administrators, psychologists and food scientists with clear vision, skills and capabilities to shoulder the socio-economic responsibilities in a befitting manner. We also aim at imparting basic and modern scientific knowledge to our young ones, enabling them to play the most important role in their respective disciplines. We have developed a very much adjusted arrangement of examination of the most elevated quality.

Introduction

An educational institution plays a vital role in building and strengthening the character and personality of its students. It produces a generation of learners who have the liability of the future of a country. The vision of our institution is to participate, through its role in the field of higher education and scientific research, in the creation of a unified, developed and advanced nation. Govt. College was established as a Municipal Middle School in 1897. This institution began its lengthy voyage of achievements more than a century ago. On its marvelous success, it was upgraded to the rank of high school in September 1905. Henceforward, the Provincial Government took over the supervision of

this institution and revolutionized its locality in 1915, so it was shifted to the present campus.

It attained the status of Intermediate College in May 1924, and in 1933 it was given the Degree status. Post Graduate disciplines were launched in 1963 and Punjab Government proclaimed this institution as an autonomous body on, 1st July 1990.Government College, Faisalabad was awarded the status of university on 23rd October 2002 by Lt. General (R) Khalid Maqbool, the Governor of Punjab and it was re-named as University Degree College. In September 2009, B.A, B.Com, B.I.T and B.Sc classes were introduced. In January 2012, University Degree College was proclaimed as University Community College by the university Syndicate, and a variety of market driven programs based on local and regional community and business needs were offered from the fall semester 2012.

The University Community College's distinctive structure, born of its history, is a source of strength. The college offers an environment which is both supportive to individual scholars and characterized by a defining and enduring sense of community. The personal sense of academic identity that it provides is life-long.

Highly qualified, experienced, and capable faculty members are resolved to work in this college with full devotion and dedication. In an exceptionally short span of time, college has possessed the capacity to set up the most elevated principles of scholastic advancement through various educational programs being offered at the college.

The University Community College imparts quality market-responsive training particularly intended to meet the changing specialized necessities of present job market in Pakistan. It draws in the students and employees who need to upgrade representative profitability at a small or vast business, need information to stay current in the related specialized field or they are considering a career change and customized solutions to meet the needs of business and industry.

University Community College gives a reasonable lively training in a different urban environment. Its educational projects are intended to advance the social, municipal and monetary fabric of our group, country and the world at large. It provides access and opportunities for non-traditional students; work-force development and training resources for economic growth and strategic partnership with the community

Intermediate Programs

University Community College re-launched Intermediate Programs in 2015 with new zeal and zest. The institution aims at re-gaining its old traditions of character building of its students and prominently recording results. It is generally observed that the students who seek admission in colleges are not mature enough to cope with the upcoming problems at college level. As there is lack of coordination between the parents and the institution, the students get free space and they involve themselves in different activities which diversify their potential and they are derailed. Its outcome is that they forget their real aim and do not perform well at college. Keeping in view the above-mentioned facts, we are offering reformed and different educational system. We have established a system of coordination between parents and the institution through which parents/guardians are informed of the weekly/monthly performance of their sons/wards as well as their attendance through SMS, Online Parents Portal and telephone calls. Highly qualified and experienced faculty members who are willing to work with full devotion and enthusiasm have been engaged to groom and polish the students. Scholarships and awards are available for talented students including full free ship for the students who fall under the defined criteria. Courses are completed well in time. There are revision session after the completion of courses and a test session in the last two months of academic period. Moreover, the college is also launching an online attendance system at Intermediate Level.

Associate Degree Programs

An Associate Degree is a two year post-intermediate or equivalent academic degree to be awarded by public and private universities primarily in market driven subjects based on local and regional community and industry. An Associate Degree holder is a simple “Graduate” as this degree is equivalent to B.A/ B.Sc (Pass) degree as far as the level of the degree is concerned. The immediate link of the Associate Degree with the needs of the market are the core requirements of this program since this degree fulfils a requirement or need of industry and is developed to respond to that object.

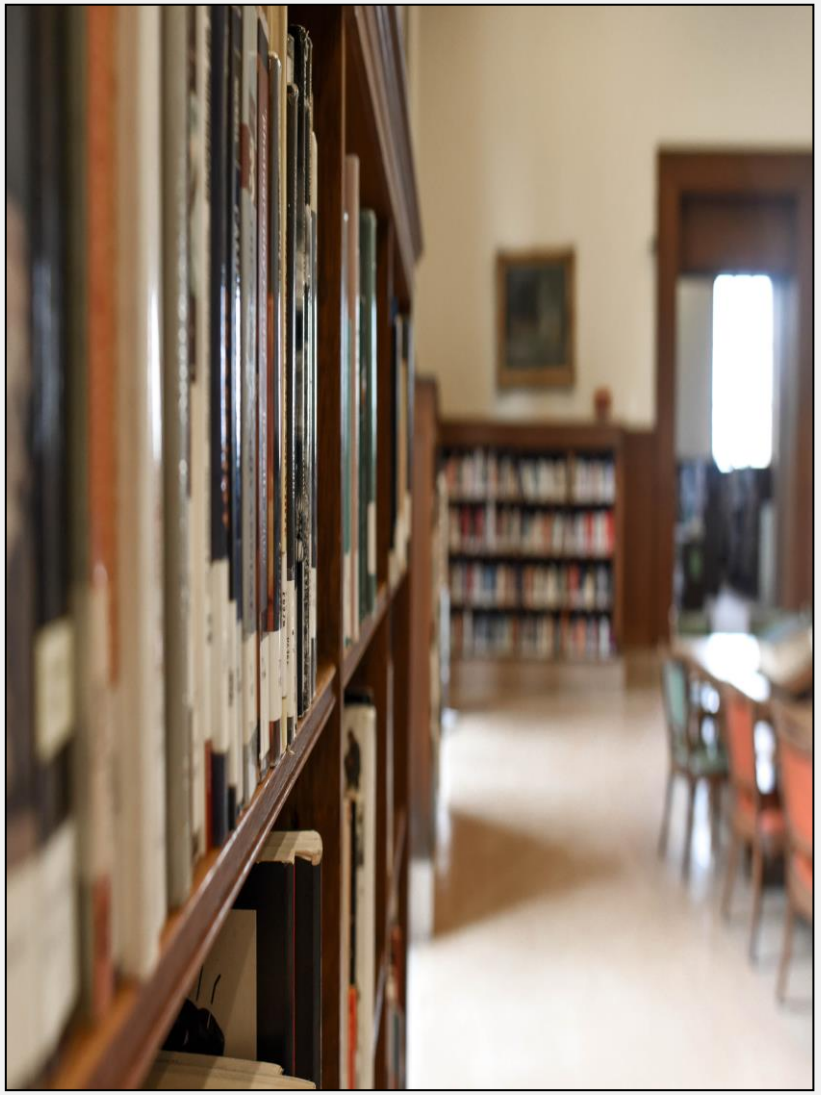

Skills and knowledge are the driving forces of economic growth and social development of any country. These have become even more important given the increasing pace of globalization and technical advancement worldwide has made these even more important. Countries with higher and better levels of skills adjust more effectively to the challenges and opportunities of globalization. The dire need of industry and increasing demand of social mobilization in Pakistan, the proposal for the establishment of a Community College was prepared which would offer associate degree programs in a number of different fields and disciplines. The most demanded training programs are selected in the start in such a way that the supply-side responses are perpetually in synchronization with the demand side impulses both from domestic industry environments as well as international markets.

In study towards an Associate Degree, a student takes necessary courses needed to obtain a degree that will allow an entry into job requiring some level of college education but not a full four-year degree. Community College has arrangements with nearby four-year institution, where a student obtaining an associate degree in a field will automatically have his/her classes counted towards the bachelors degree requirement. For example, an Associate Degree in Accounting & Finance, Applied Psychology, Business Administration, Computer Science, Information Technology and Food Science would count toward the four years program in the related discipline.

The basic objective of the Associate Degree Program is to offer the job oriented programs and to produce the skilled graduates to meet the requirements of industry and market. Following are the objectives of Associate Degree Program:

•To enable the students to get professional degrees for jobs.
•To produce the professionals to meet the need of the market and industry.

Community College can play a very positive role to meet a real need of the community provided that they are endowed with a central source of dynamism and evolve as an organic part of the social life of the community they have intended to serve.

Facilities for the Students:

Library

As Bacon says, “Reading makes a full man”, there can be no better place for reading except libraries. Our college also provides this essential facility to the students. It has approximately six thousand bound volumes on its stock. It provides reading atmosphere to the students. The students have an easy access to books, journals, magazines and newspapers. It is well housed, well equipped, well staffed and well managed. It has an outstanding reference section which contains valuable and rare collection of books.

Canteen

There is a provision of canteen in the college campus where the students can have eatables and soft drinks. A committee that ensures quality food items supervises the canteen. Food items are supplied to the students at reasonable and affordable rates.

Parking

The college provides parking facilities to the college students. In order to get benefit from it, the students are directed to contact Incharge parking stand.

Health Care

University Community College provides medical aid to its students. A team of doctors and their staff is available in the dispensary located at the university campus. Emergency and serious cases are referred to hospital for treatment.

Excursions

The college entertainment committee arranges excursions and recreational tours for both the students and the teachers alike. Such tours give them

relaxation after tiring and exhausting work.

Students' Financial Aid

For smooth execution of scholarship programs, GC University Authority has established, separate Students' Financial Aid Office (SFAO) in University Community College in collaboration with Higher Education Commission, Islamabad.

The SFAO is being supervised by Ms. Saima Parveen, Assistant Registrar/ Incharge (SFAO) E-mail: sfao@gcuf.edu.pk. She also acts as a Focal Person for the distribution of various scholarships offered by Govt. of the Punjab and other agencies. There are a number of scholarships available to assist students for their educational expenses on need and merit basis. In addition to the above-mentioned Financial Aid Office, a Committee has been constituted by this College for the evaluation and approval of the applications submitted by the students for financial aid. One window service is also being provided to the students to avail the scholarship facilities.

Guidelines/Procedure to Apply for Scholarship/ Financial Aid

Comprehensive, transparent and unbiased frame work for neediness assessment & selection of deserving students is to be followed by Scholarship/Financial aid Committee. In case a student intends to seek scholarship/financial aid, he needs to adopt the following procedures one after the other.

First of all, a student will have to apply for admission to University Community College in any Intermediate/Degree program. After admission he/she can apply for financial aid/scholarship on the prescribed form as and when available at Student Financial Aid Office.

Award Process for Scholarship/Financial Aid

All the applications for scholarships and financial aid will be evaluated and recommended by the Scholarship/Financial Aid Committee constituted by the Principal, University Community College or by the Authorized body prescribed by the funding Individual/Institution. Scholarship/financial aid is based on the assessment of need and merit as well as availability of funds. Selection is decided on the basis of information and investigations provided in the application form by the candidates. Candidate may be required to appear for an interview

List of Scholarships

1- GCUF Talent Scholarship

150 Talent Scholarships amounting to Rs. 70 lacs will be offered to the students of Intermediate programs over a period of two years. Criteria for scholarships is categorized as follows:

Category One

Category One

Program	Criteria	Type of Scholarship	No. of Scholarships	Conditions
F.Sc (Pre-Engineering)	90 % & above marks in matriculation or O level	Free ship	10	1- First come first serve basis 2- Board dues (Registration, examination fee etc.) and library security is payable
F.Sc (Pre-Medical)	90 % & above marks in matriculation or O level	Free ship	05	1- First come first serve basis 2- Board dues (Registration, examination fee etc.) and library security is payable
I.Com	85 % & above marks in matriculation or O level	Free ship	05	1.First come first serve basis 2.Board dues (Registration, examination fee etc.) and library security is payable
I.C.S	85 % & above marks in matriculation or O level	Free ship	05	1.First come first serve basis 2.Board dues (Registration, examination fee etc.) and library security is payable

Category Two

Program	Criteria	Type of Scholarship	No. of Scholarships	Conditions
F.Sc (Pre-Engineering)	Above 85 % & Below 90 % marks in Matriculation or O level	Full tuition fee exempted	10	1.First come first serve basis 2.All dues Other than tuition Fee are payable
F.Sc (Pre-Medical)	Above 85 % & Below 90 % marks in Matriculation or O level	Full tuition fee exempted	05	1.First come first serve basis 2.All dues Other than tuition Fee are payable
I.Com	Above 80% & Below 85 % marks in matriculation or O level	Full tuition fee exempted	05	1.First come first serve basis 2.All dues Other than tuition Fee are payable
I.C.S	Above 80% & Below 85 % marks in matriculation or O level	Full tuition fee exempted	05	1.First come first serve basis 2.All dues Other than tuition Fee are payable

Category Three

Program	Criteria	Type of Scholarship	No. of Scholarships	Conditions
F.Sc (Pre-Engineering)	Above 80% & Below 85 % marks in matriculation or O level	Half tuition fee exempted	40	1.First come first serve basis 2.All dues Other than tuition Fee are payable
F.Sc (Pre-Medical)	Above 80% & Below 85 % marks in matriculation or O level	Half tuition fee Exempted	40	1.First come first serve basis 2.All dues Other than tuition Fee are payable
I.Com	Above 75% & Below 80 % marks in matriculation or O level	Half tuition fee Exempted	20	1.First come first serve basis 2.All dues Other than tuition Fee are payable
I.C.S	Above 75% & Below 80 % marks in matriculation or O level	Half tuition fee Exempted	20	1.First come first serve basis 2.All dues Other than tuition Fee are payable

2- Punjab Educational Endowment Fund (PEEF)

is an initiative of the Government of the Punjab. It is established with the objective of providing scholarships/monetary assistance to talented and needy students to Bachelor and Master level students.

3- Killa Gift Scholarship

The Killa Gift Fund Trust awards scholarships to the students who or whose parents own agricultural land in Faisalabad District.

4 - Internal Merit District scholarship

This is a merit based scholarship offered by the District Education Officers of the concerned Districts from where a student has obtained his/her last educational certificate/degree.

5 - The Student Advancement Endowment Fund (SAFE)

PEP Foundation made an initial donation to the University to support the principal of SAFE. SAFE account will be utilized only for the sole purpose of awarding scholarships to needy students and for capacity building projects/programs for the direct benefit of students. The funds will be treated as endowment principal money and will not be used for any other purposes under any circumstances.

6-Pakistan Bait-ul-Mal Scholarship

Pakistan Bait-ul-Mal Scholarship provides funding to the morning students for the payment of University and Hostel dues to the meritorious and needy students to meet their educational expenses.

7-HDF-THANKS Scholarship # 7 "Mansur Ahmed

This scholarship is to assist pre-medical students of Government College University of Faisalabad. This scholarship is given to two deserving students every year. Each awardee will receive financial assistance for two years.

8- MORA Scholarship

9- Karwan-e-Ilam Foundation Financial Assistance

10-Killa Gift Scholarship

11-Diya Foundation Scholarship

12-Fauji Foundation Scholarship

13-Financial Assistance from University Zakat Fund

Rules & Regulations for the Award of Scholarships:

To receive scholarship/financial aid, the student must maintain satisfactory academic progress towards an eligible program of study. Satisfactory Academic Progress (SAP) is a set of standards for scholarship/financial aid award:

1.Undergraduate/intermediate students must maintain their academic record of 60% in last examination and 75% attendance in class. However, the eligibility criterion for Government College University Faisalabad Talent Scholarship for F.Sc. (Both Medical & Engineering) and ICS is 75% marks in the last examination and 80% attendance in the class; whereas, for I.Com. 70% marks and 80% attendance is must as eligibility criterion for the same. If a student fails to come up to these conditions, his scholarship will be cancelled and he will have to pay all the previous and current university dues.

2.Undergraduate students who receive an Incomplete ("I") grade or who repeat courses will be ineligible to receive financial aid/scholarship.

3.Undergraduate students who are placed on probation will be automatically ineligible to receive scholarship/financial aid until they raise their cumulative result.

4.Undergraduate students who receive a failing grade ("F") in all of their courses, will be required to repay their scholarship/financial aid

5.Undergraduate/ intermediate students who withdraw from University/ migrate while receiving scholarship/ financial aid will be subjected to return funds they have received as scholarship or financial aid.
These rules and regulations are subjected to change based on guidelines provided by the funding individual/institution.

Co-Curricular Activities

The University Community College also organizes co-curricular activities for the students. For that purpose, different committees are assigned the responsibilities of shaping out the personalities of the students. These committees conduct speeches, debates and declamation contests in Urdu, English and Punjabi. They also arrange annual study tours and celebrate Pakistan Day, Quaid-e-Azam Day and Iqbal Day by organizing students' declamation contests and the best contestants are awarded medals. Many societies are working under the umbrella of Directorate of Students' Affairs i.e. Qiraat & Naat Society, Essay Writing & Poetry Society, Culinary Society, Quiz Society, Drama & Performing Art Society, Nusrat Fateh Ali Khan Musical Society, Society of Art & Design, Horticulture Society, Blood Donors Society, Rover Scouts Society, Cultural Society& Jinnah Debating Society.

University Magazine (Roshni, Beacon)

The literary magazine of a college reflects its teachers and students intellectual thought processes and their growing consciousness towards their changing milieu. It also refines their literary tastes and develops them into ideal citizens who can utilize their knowledge within the complex frame-work of everyday life. The University Community College also publishes a magazine every year. The Editorial Board is running all the matters smoothly and efficiently.

Sports and Games

University Community College also provides ample sports and recreational facilities to the students in diverse fields as Cricket, Hockey, Tennis, Gymnastic, Basket Ball, Table Tennis, Kabaddi, Football, Boxing, Swimming, Squash, Shooting, Handball, Weightlifting, JudoKarate, Rugby, Badminton

Two Weeks Capacity Building Training of Excellence in Undergraduate Teaching" 13-24, July 2026

Programs Offered

The following Intermediate, associate degree and Diploma Programs are offered from the Academic Year 2020:

Intermediate Programs

- **F.Sc Pre-Medical (Part-I)**

English, Urdu, Islamic Education, Biology, Physics, Chemistry, Tarjama-Tul-Quran Majeed

(Part-II)

English, Urdu, Islamic Education, Biology, Physics, Chemistry, Tarjama-Tul-Quran Majeed

- **F.Sc Pre-Engineering (Part-I)**
- English, Urdu, Islamic Education, Mathematics, Physics, Chemistry, Tarjama-Tul-Quran Majeed

(Part-II)

English, Urdu, Islamic Education, Mathematics, Physics, Chemistry, Tarjama-Tul-Quran Majeed

- **I.Com (Part-I)**

English, Urdu, Islamic Education, Business Mathematics, Principles of Accounting, Economics, Principles of Commerce, Tarjama-Tul-Quran Majeed

(Part-II)

English, Urdu, Pak. Studies, Business Statistics, Principles of Accounting & Banking, Commercial Geography, Tarjama-Tul-Quran Majeed

- **ICS (Part-I)**

English, Urdu, Islamic Education, Physics/Statistics, Mathematics, Computer Science, Tarjama-Tul-Quran Majeed

(Part-II)

English, Urdu, Pak. Studies, Physics/Statistics, Mathematics, Computer Science, Tarjama-Tul-Quran Majeed

Associate Degree Programs (02 Year)

- Computer Science
- Information Technology
- Accounting & Finance
- Public Administration
- Business Administration
- Applied Psychology
- Commerce
- Food Science & Technology

Diploma Program (1.5 Year)

- Post-Magisterial Diploma in Clinical Psychology (PMDCP)

Associate Degree in Computer Science

The Computer Science Associate's program is designed to educate the students with the skills required to define, design, the fundamental concepts necessary for designing, using, and implementing database systems and applications. On the completion of this course graduates will be prepared to contribute to the Computer industry and be able:

- To demonstrate a detailed understanding of Computer.
- To apply understanding of principles and methodology in analysis and design.
- To develop, implement and manage Static websites and web servers.
- To demonstrate the basic concepts necessary for a good understanding of hardware software and implementation.
- To concepts and how they relate to the contemporary business environment.
- To demonstrate an understanding of the key concepts of Database Management.
- To enter into the range of professional information technology occupations.

Objectives

Following are the main objectives of this program:

- To possess an introduction to computer architecture.
- To demonstrate ethical behavior and decision-making.
- To encourage the students to develop and use abstract models in addition to apply respective technology in practical situations.
- To provide professional orientation to prepare students for industry.
- To demonstrate an understanding and interpretation of key information Technology concepts and how they relate to the contemporary business environment demonstrate an appreciation of need to participate in professional database.
- Demonstrate the acquisition of Information System research-based knowledge.
- To develop and refine communication skills within the workplace.

Outcomes

After the completion of the program, students will be able to:

- Install industry-standard operating system.
- An ability to apply knowledge of computing and mathematics appropriate to the discipline
- An ability to analyze a problem, and identify and define the computing requirements appropriate to its solution.
- An ability to design, implement, and evaluate a computer-based system, process, component, or program to meet desired needs
- Design and implement Database System.
- Troubleshoot hardware and software.
- Perform administrative function in secure database

Career Paths

Computer Science careers have been on the rise since the last decade. The Associate Degree in Computer Science would serve the needs of those willing to pursue a career related to the Administration and Management. Having gained an understanding of computer Database software, graduates can choose from career in Computer administration and system analysis.

- Computer Engineer
- Data Technician
- Computer Administrator
- Computer Application Developer
- Computer Programmer
- Enterprise Architect
- IT Support Team
- Computer Support Specialist
- Internet Administrator
- System Administrator

Eligibility Criteria

- For admission in this program the candidates must have passed out from following disciplines with Minimum requirement 50% marks

- ICS (Physics, Statistics)
- FSc (Pre-Engineering)
- FSc (Pre-Medical with Additional Mathematics)
- DAE electrical & Electronics

Scheme of Studies: ADP Computer Science

Program Duration: 2 Years

Semester 1

Course Code	Title	Credit Hrs
CCC-301	Programming Fundamentals	4(3-1)
ICT-321	Applications of Information and Communication Technologies	3(2-1)
ENG-321	Functional English	3(3-0)

Associate Degree in Information Technology

The Information Technology Associate's program is designed to educate the students with the skills required to provide for the varying educational needs of a culturally diverse and geographically dispersed student body with the goal of preparing students academically, personally, and professionally for successful careers that meet societal and organizational needs through the selection, creation, application, integration, administration, and management of various computing technologies.

- After the completion of this course graduates will be prepared to contribute to the computer Information technology industry and be able:.
- To explain the impact of globalization on computing and software engineering
- To demonstrate an understanding of the key concepts of Projects Management.
- To formulate policy and practice that consider environmental impacts.
- To demonstrate the development and refinement of Development skills within the workplace.
- To demonstrate ethical behavior and decision-making.
- To demonstrate the acquisition of Software engineering research based knowledge.
- To elicit, analyze and specify software requirements through a productive working relationship with project stakeholders

Objectives

The aim of the course is to produce Information Technology graduates who are well skilled to work at an entry level and have capabilities to precede higher levels in the industry. In the early phases of their careers, we expect the university IT graduates to be able to:

- Develop complex systems (including analysis, design, construction, maintenance, quality assurance and project management) using the appropriate theory, principles, tools and processes.
- Use appropriate computer science and mathematics principles in the development of software systems.
- Solve problems in a team environment through effective use of written and oral communication skills.
- Practice the lifelong learning needed in order to keep current as new issues emerge.

Outcomes

1. Identify needs and possibilities of the organization which may be met by appropriate use of IT resources, including hardware, software and communication technologies.
2. Plan, select, integrate, deploy, manage and support the required IT resources.
3. Communicate with a range of audiences and participate effectively as part of teams
4. Help in improving the quality for higher education programs.
5. An ability to apply knowledge of mathematics, science, and engineering.
6. An ability to design and conduct experiments, as well as to analyze and interpret data.
7. An ability to identify, formulate and solve engineering problems.
8. A recognition of the need for, and an ability to engage in, life-long learning.

Career Paths

- Systems Analysis (Computer/Software/IT Analysts)
- Statistical Quality Assurance
- Unit Tester
- Project Manager
- Product Support
- IT specialists
- IT Support Team
- IT Administrator
- System analyst
- System Security Manger

Eligibility Criteria

- For admission in this program the candidates must have passed out from following disciplines with Minimum requirement 50% marks

- ICS (Physics, Statistics)
- FSc (Pre-Engineering)
- FSc (Pre-Medical with Additional Mathematics)
- DAE electrical & Electronics

Associate Degree in Accounting & Finance

The aim of Accounting and Finance degree program is to provide information to the interested users to enable them to make business decisions. The Bachelor Degree Program in Accounting and Finance prepares students for entry-level positions in accounting and financial management. The program is designed to develop knowledge, skills, and abilities that will enable a student to cope successfully with the challenges of a rapidly evolving, global business and financial environment. The degree provides a strong foundation for a successful career in accounting and finance, and prepares highly motivated students for future graduate-level study.

Program Objectives

2. To make students able to understand and develop the skills to grasp broad range of accounting and finance techniques and concepts.
3. To make them able to critically analyze and compare the theoretical knowledge with the practical aspects.
4. To provide the knowledge and skills to students for using computer technology in accounting and finance for the purpose of improving decision making in an organizational setting.
5. To provide an opportunity for students to evaluate problems and innovations in accounting and finance with effects on managerial decision making.
6. To make them able to apply integrated techniques of accounting and finance in evaluating the costs and benefits of strategic investments.
7. To make them able to understand the applications and effects of international accounting standards and financial reporting in an organization setting.
8. To develop the understanding about ethical issues in accounting and finance.
9. To mentor students to exploit newly created opportunities in accounting and finance profession.

Eligibility Criteria

For admission in this program, the candidates must have passed out from following disciplines.

FSc (Pre-Medical / Pre-Engineering, ICS, F.A, I.Com , Minimum requirement 50% marks

Program Structure

Duration of Associate Degree Program	2 year
Semester duration	16-18 weeks
Course Load per Semester	17-21 Cr Hrs

Outcome

1. Students graduating with a degree in Accounting and Finance will Possess fundamental accounting knowledge for professional accounting positions
2. Understand the importance of ethics to the accounting profession and demonstrate ethical decision making
3. Demonstrate communication skills Critically analyze and solve problems, using technology where appropriate

Associate Degree in Commerce

Commerce is the backbone of any business concern in today's world of cut throat competition in the volatile business environment, the role of commerce professionals has become highly demanding and challenging. The need of the hour is to groom professionals equipped with thorough knowledge and practical tools to deal with the prevailing situation with novelty of ideas and to enable them to make choices and decisions using system approaches Associate degree in Commerce program focuses on the rapidly changing global economic environment and the opportunities for commerce activities. Associate Degree in Commerce program will consist of four semesters. This program is intended to provide advanced knowledge in Commerce specializations. It aims to equip students with the knowledge and competence in the field of business, commerce and information technology to pursue a professional career and/or furthering higher education in the specified areas of specialization. The program includes internship. The main objectives of the program as follows:

- To enable them to acquire complete basic and intermediary practical knowledge of various commerce subjects with the sole purpose of making them self-dependent and easily employable.
- To equip with both theoretical and practical exposure for professional and commercial environment.
- To meet the demanding challenges of the modern workplace.
- To build a comprehensive understanding of industrial practices of commerce.
- To equip with latest management concepts and practices with a global perspective.
- To enable practically implement mathematical and statistical tools in commerce area.
- To help understand methods and processes of commerce in every area of activity.

Outcomes

Students graduating with a major in 'Commerce' will be able to:
Have the knowledge and skills to successfully run a business or become an effective manager; from writing a business plan to managing finances and understanding business law.

- Possess the kind of communication, critical thinking, problem solving, team player and global thinking skills that intra/entrepreneurs require.
- Demonstrate ability to access, evaluate and utilize information from diverse sources and be proficient in the use of appropriate tools and techniques.
- Learn and respond in a critically informed manner to new ideas, research findings, methodologies and theoretical frameworks in their specialized field of study.

1. Work competently and productively in groups, exercising teamwork and interpersonal skills.

Career Paths

Graduates with an undergraduate major in Commerce may be employed as

- Account Manager
- Assistant Chief Cash Manager
- Assistant Sales Manager
- Business Development Officer
- Assistant Account Officer
- Assistant Retail Manager

Commerce graduates are in great demand. They can be employed in the following sectors

1. Automobile sector
2. Oil and Gas sector
3. Textile sector
4. Chemical sector
5. Pharmaceutical sector
6. Banking sector
7. Corporations/MNC's
8. Telecom sector

Eligibility Criteria

For admission in this program the candidates must have passed out from following disciplines Minimum requirement 45 % marks

1. F.Sc (Pre-Medical / Pre-Engineering)
2. ICS
3. I.Com

Associate Degree in Food Science & Technology

The Food Science & Technology Associate Degree Program is designed to impart the skill of application of food science to the selection, preservation, processing, packaging, distribution, and use of safe food. Related fields include analytical chemistry, biotechnology, engineering, nutrition, quality control, and food safety management.

Objectives:

This degree program has the following aims & objectives:

- To produce qualified food technologists for food industries, teaching and research organizations.
- To establish links between Teaching/ research institutions, government, commercial organizations and consumers.
- To preserve, process and manipulate the agricultural crops to avoid post-harvest losses.
- To protect our environmental condition from deterioration of food.
- To introduce novel, nutrition's economic value added food products for local consumption and export.
- To incorporate the food industry waste for new products development.
- To provide consultancy and advisory services to food industries
- To provide diagnostic analysis of food products.
- To establish international collaboration with food science departments and food processing industries by exchange of students & staff.
- To organize functions/seminars for creating awareness about the importance of safe, processed and nutritious food.

Career Paths:

Jobs directly related to this degree include:

- Assistant food technologist
- Nutritional therapist
- Assistant Product/process development scientist
- Quality manager
- Regulatory affairs officer
- Scientific laboratory technician

Eligibility Criteria

For admission in this program, the candidates must have passed out from following disciplines Minimum requirement 45% marks

- F.Sc (Pre-Medical/Pre-Engineering)
- DAE Food Technology (3 years) from PBTE Lahore

RULES & REGULATIONS
RELATING TO THE INTERMEDIATE PROGRAMS

1. Admission Procedure:

1.1 Admission to Intermediate Classes will be made according to the schedule to be displayed on the Notice Board.

1.2 The right of admission will be determined on merit. Any quota (Sports, disabled, extra-curricular and co-curricular activities) will be notified by the competent authority. Admission on quota will be granted after verifying the certificates issued by the competent authority relevant to the matter. Fake documents will result in cancellation of admission.

1.3 Maximum age limit for intermediate candidates is 18 years on the last date of receipt of applications. However, the Principal has the authority to grant age relaxation to the deserving applicants by two years.

1.4 Admission to Intermediate Classes will be offered to male candidates only.

1.5 The minimum requirement for admission to Intermediate classes is secondary school certificate or O-level.

1.6 Fee will be deposited on the scheduled date after confirmation of admission, otherwise admission will be cancelled and no request will be entertained.

1.7 Application forms, duly signed by the applicant and his father or guardian will be acceptable. The question of guardian will arise in case of the death Of applicant's father or father's stay abroad.

1.8 The BISE, Faisalabad will conduct the Intermediate Examinations.

1.9 The students of Intermediate classes will have to appear each year for annual exams i.e. part I and part II.

2. Application form must have the following documents attached:

2.1 Attested photocopy of the secondary school or O-level certificate

2.2 Character certificate from the institution last attended.

2.3 Two copies of applicant's CNIC/B Form (CRC; Children Registration Certificate)

2.4 Two copies of Father's CNIC

2.5 Three passport size photographs

3. Attendance Requirements:

3.1 75% attendance of the delivered lectures in every subject is compulsory for a student. Otherwise, his name will not be considered for Board exams. The name of the student who remains absent from his classes continuously for six days or ten days in a month shall be struck off from the college He may apply for re-admission but the application must be submitted within due date (mentioned in the struck off notification).

3.2 Casual Leave may be granted on medical grounds if medical certificate of a Government Hospital duly signed by the medical superintendent is provided with the leave application.

3.3 A fine of Rs. 10/- per period shall be imposed on the student for unauthorized absence from the class.

3.4 A fine of Rs. 50/- per day shall be imposed on student for unauthorized absence for a day.

4. Re-Admission:

4.1 The students who are struck off because of any one of the following reasons may seek re-admission:

i- Non- payment of dues

ii- Violation of discipline

iii- Absence from the classes

4.2 Such students will have to apply for re-admission within ten days of the struck off notification after paying Rs. 2000/- as re-admission charges.

4.3 If the re-admitted student is struck off from the college rolls again, he will not be eligible for a second re-admission.

House Exams:

5.1 The Examination Cell of the college will prepare the internal grades of students on the basis of weekly/monthly tests.

5.2 The students with sub-standard academic performance and securing "F" grade in overall aggregate will not be allowed to appear in Board Examinations.

Scholarships/ Financial Aid:

All the applications for scholarships and financial aid will be evaluated and recommended by the Scholarship/Financial Aid Committee constituted by the Principal, University Community College or by the Authorized body prescribed by the funding Individual/Institution. Scholarship/financial aid is based on the assessment of need and merit as well as availability of funds. Selection is decided on the basis of information and investigations provided in the application form by the candidates. Candidate (s) may be required to appear for an interview (s).

Migration:

In case of migration, the student will have to provide leaving certificate of his parent institution along with NOC of the concerned board. Only those students who fall on merit may be considered for migration to this college. (also subject to the availability of seats)

Uniform:

Wearing of uniform is compulsory for intermediate students. Off- white shirt with university logo on front pocket, khaki trousers, black socks, black shoes with laces, maroon neck-tie with university logos. For winter, maroon blazer with university logo and v-necked maroon pullover without zip, collar and buttons.

A fine of Rs. 200/- will be imposed on the students for not wearing proper uniform.

RULES & REGULATIONS
RELATING TO THE ASSOCIATE DEGREE & DIPLOMA PROGRAMS

Admission Criteria

- **Minimum Academic Requirement:** A candidate seeking admission to the Associate Degree Programs (2year) must have passed Intermediate examination as per eligibility criteria required for each program. The candidates who have passed A-level exam must submit equivalence certificate from a recognized institution.
- **Domicile:** The candidate should submit the domicile of Punjab Province. The candidate with domicile other than the Punjab province will have

to produce a nomination letter from his/her respective provincial government against reserved seats if any. Foreign students can also apply through the relevant Federal Ministry. Seats are reserved for the candidates from FATA/FANA (Gilgit/Baltistan) and Baluchistan..

- **Age/Gender:** There shall be no gender discrimination for admission to all the Bachelor degree programs. The maximum age limit is 22 years, which may be relaxed up to 2 years by the competent authority in hardship cases.
- **No Objection Certificate (NOC):** The employees of the government / any organization nominated for admission at this university shall have To take study leave to pursue studies as a regular student, failing which the student shall not be admitted. However, after getting the admission by a nominee in university it would be obligatory for the parent department to sanction the study leave or grant extension in leave in favor of nominee within first semester of admission, otherwise the admission shall be cancelled.

- **Medium of Instruction**

  The medium of instruction and examination shall be English.

- **Duration of the Semester**

  There shall be 2 semesters (Fall and Spring) of 18 weeks each in an academic year. The commencement of semesters shall be regulated by the Academic Council. (Explanation: Out of 18 weeks, 16 weeks shall be actual teaching time, the rest may be utilized for enrollment, conduct of examinations and declaration of results, etc.).

- **Scheme of Study**

  The subjects of study for the various degree programs are given in the Prospectus which may be amended from time to time.

- ## Credit Hours Requirement for Various Degrees

  The minimum credit hour requirement for instituting degree is 60-72 for Associate Degree Programs

- ## Routing of Academic Matters

  All the academic matters shall be routed through proper channel i.e. through the coordinator of the program concerned and the Principal of the College

- ## Time for Admission

  Admissions shall be conducted in the fall semester and only once in a calendar year or as decided by the university authority.

- ## Authority of Admission

  The admission to all programs shall be made by the Principal of the College on the basis of merit list prepared by the respective admission committee.
  Lists of selected candidates shall be displayed on official website and subsequent lists shall be displayed till the last seat is filled up.
  (Explanation: The last list would be displayed keeping in view that 75 percent attendance in lectures would not suffer).
  The competent authority may refuse admission to a candidate with solid reason.

- ## Enrollment Requirement

  A candidate admitted to the course shall, for so long as the student has not completed all the requirements for the degree, enroll for each semester subject to the maximum admissible limit of six semesters (including summer) for Associate Degree programs.

- ## Discontinuation / Freezing of Study / Semester

A student may discontinue enrolled semester before appearing in the final examination with the permission of the Vice Chancellor obtained on the recommendations of the Principal on account of sickness duly certified by the University Medical Officer or due to circumstances beyond his/ her control subject to fulfillment of condition that the student has passed the final examination of previous semester with minimum prescribed GPA/CGPA required for the said degree program.

- The facility of discontinuation can be availed only once during whole degree program and it could be for two semesters only.
- A candidate shall not ordinarily be allowed to discontinue his/her studies during 1st semester.
- A student so permitted to discontinue is required to resume his/her studies from the next semester on the recommendation of Principal duly notified by his Office.
- During the semester freeze, bonafide status of the student shall remain suspended. The student will not be entitled to avail any privilege as that of a regular student.

Enrolment

- An application for enrolment on the prescribed form; Course Registration Form accompanied by proof of fee paid (bank receipt) shall be presented to the office of the Principal on the day(s) notified for enrollment.
- The Principal may allow a student to enroll by the last day of the 4th week after the commencement of classes, with late fee of Rs. 500/- .
- However, The Vice Chancellor has the powers to allow a student to enroll till the last day of the 4th week after the commencement of classes, with double late fee of Rs. 2000/-.
- Enrolment in absentia is not allowed. Student is required to be present in person with a proof of identification (University Identity Card or Computerized National Identity Card etc.) for enrollment.
- Enrollment will only be considered complete when Course Registration Form is submitted to the office of the Principal and it is mandatory for the completion of the enrolment process.

- A candidate admitted to a degree program shall, far so long as he has not submitted thesis (if applicable), have to enroll for each semester.
- The maximum duration for completion of Associate Degree and B.Tech programs shall be two years (four semesters).
- The students who will enroll in the additional semester beyond the normal tenure of the program will have to pay 2500 per credit hour.

Re-Admission

- If a student fails to enroll in any semester(s) without permission of the competent authority, he/she shall cease to be on the rolls of the University and in case the student desires re-admission, he/she shall have to apply for the same.
- The Principal may re-admit such a candidate subject to the payment of Rs. 2,000/- as re-admission fee and Rs. 7,500/- as per semester gap fee, if applicable. The Principal may refuse the re-admission if the reasons mentioned are not valid.
- The period of gap semester will not be counted towards residential requirements.

Revision of Course Registration Form

- A student may be permitted to revise his/her Course Registration Form within 20 days from the commencement of classes. After this period the student may be allowed to revise Course Registration Form up to the 4th week from the commencement of classes on payment of RS. 1,000/-

Course of Study

- All under graduate courses will be designated appropriate course code numbers and will be preceded by the suitable alphabets indicating the name of the respective department.
- The teachers / instructors will be required to hand over detailed course outline to the students within 7 days of the beginning of semester and will send a copy of course outline and work plan to the coordination of the concerned department
- A full time student can enroll up to 24 credit hours in a regular semester.
- The Principal may consider credits earned by a student at another recognized institution, subject to a maximum of 50 percent of the minimum credits requirements for the degree, on the recommendations of Equivalence Committee provided that:
- The contents of the course(s) for which credit is claimed, are identical or similar to the course included in his/her planned course work.
- The course for which credit is claimed has not been used for any other degree.
- A course studied to qualify a degree will not be taken/ considered for any other and higher degree program.
- Credit earned for a course shall lapse on the expiry of five years for regular student and seven years for part time student from the end of the semester in which the course was qualified. The Principal may revalidate the lapsed courses for special reasons to be recorded.
- No course shall carry more than 4 credits.

Examinations

Examination Fee: University examination fee shall be charged at the time of enrollment of each semester.

Tests and Examinations:

There shall be two examinations mid and final in each semester. In addition to these examinations the teacher shall give home assignments and quizzes etc. to the students. The mode of these examinations will be left to the teacher who will be solely responsible for the conduct of examination as well as evaluation in his/her course. The grade given in the course by the teacher shall be final.

Only those students, who have at least 75% attendance in theory and practical (where applicable) separately in each course, shall be eligible to appear in the final examination.

A teacher shall report to the Principal through the coordinator of the respective Department the names of students who are absent from the class/ practical

(where applicable) continuously for seven days to enable the office of the Principal to strike off names of such students. The student may be readmitted under the university rules or may be refused admission if the reasons provided for readmission are not convincing.

Final examination

The final examination for a semester shall be held on a date and time and place to be notified by the teacher in advance.

The scripts of each examination shall be discussed with the students.

(i) The mid-semester examination shall be held during 9th week of the semester which shall carry 30 percent of the total allocated marks for the course.

(ii) This examination shall be held by the teacher concerned who shall proceed according to the University rules.

(iii) For the purpose of evaluation, one credit will carry 20 marks e.g. a four credits course will carry 80 marks. These marks will be divided in accordance.

Mid-semester examination	30%
Home assignments/quizzes, presentation etc	20%
Final examination	50%
Total:	100%

(Fraction in total marks of a course will be rounded to the nearest whole number).

To qualify a course, it is essential to pass separately in the theory and practical (where applicable) examinations with aggregation to be at least 40 percent.

The teacher shall send the final award list along with answer sheets of mid, final and practical (where applicable) of the course to the office of the Controller of Examinations within 10 days after the end of a semester. The Principal may condone the delay in result submission. A soft copy of the award list should also be sent to the office of the Principal.

On receipt of the award lists, the Controller of Examinations shall notify the results and send copies to the office of the Principal and the coordinator of the concerned program.

GRADE POINT AVERAGE

Grade point and equivalence between letter grading and numerical grading shall be as follows:

Grade	Value	Marks (%)
A	4.00	85% or above
A-	3.75-3.95	80% to 84%
B+	3.35-3.70	70% to 79%
B	3.00-3.28	65% to 69%
B-	2.70-2.94	60% to 64%
C+	2.35-2.63	55% to 59%
C	2.00-2.28	50% to 54%
C-	1.50-1.90	45% to 49%
D	1.00-1.40	40% to 44%

If a student fails to obtain CGPA of 1.70 at the end of each academic year (Fall and Spring) his/her admission shall stand cancelled. However the student may seek fresh admission.A student, who obtains CGPA of 1.70 or more but less than 2.0 upon the completion of entire approved course work, may be allowed to repeat once the courses of the previous semesters in which the student had obtained the lowest grades in order to improve the CGPA so as to obtain the minimum of 2.0, failing which the student shall cease to be on the rolls provided that he/she has availed the maximum permissible repetitions.

CGPA of 2.0 out of 4.0 is required to qualify for the award of degree.

General

The students who enroll extra semesters beyond their minimum residential requirement will not be allowed hostel accommodation.

Office of the Principal will maintain student record for 3 years after the declaration of final result. After that period, the record may be disposed off with the permission of the Vice Chancellor.

Office of the Controller of Examinations shall keep scripts of student's examinations for two semesters (one year).

Code of Conduct

1. Students' ID Cards

1.1 All the students are required to display their ID cards, issued by the college office, during the college hours. Otherwise, they will be penalized. If an ID card is lost, a duplicate card will be issued on the payment of Rs. 100/-.

2. Prohibition of mobile phones, smoking, arms, political activities and outsiders

2.1 The use of mobile phones is strictly prohibited in the college. A fine up to Rs. 500/- will be imposed on the students for using mobile phones in the class. A fine of Rs. 500/- to 1000/- will be imposed on the students found listening music on the mobile phone. They may also be suspended from the college and directed to bring their parents in this regard.

2.2 A fine of Rs. 1000/- will be imposed on students found smoking at the college campus

2.3 No college student can keep arms of any category, licensed or un-licensed while at the college campus.

2.4 The students will not take part in any kind of political activates. If any student is found involved in any such activity, strict disciplinary action, entailing to fine or expulsion from the college or both the punishments, will be taken against him.

2.5 Entry of outsiders in the college is strictly prohibited. If detected, they will be handed over to the police. The students are not allowed to bring any outsider with them. Those found responsible will be suspended from the college and heavy fine will be imposed on them.

3. Rustication from the college

3.1 A student found involved in gross violation of discipline (i.e. quarrelling, shouting, firing, using abusive language) and undesirable activities shall be rusticated from the college for a period of 1 to 3 years on the recommendation of the Discipline Committee.
